

Introducing Dext Solo

The perfect record-keeping solution for sole traders, small landlords and the professionals who advise them

Dext Solo gives sole traders, landlords and their advisors the tools to make running their business easier.

- **Self-employed individuals and landlords** can capture and code transactions, analyse their numbers to make better decisions, and feel confident about paying the right amount of tax.
- **Accountants and bookkeepers** have control and visibility on how they service their SoloPreneur clients, using Dext Prepare's world-class automation tools to provide incredible efficiencies.
- Suitable for non-vat registered, unincorporated individuals who need a single platform for digital record keeping.

- 01 Flexible transaction reporting and submission methods:** Receipts & invoices, and / or cash coding with bank data. Mobile app, email-in, bank statements or bank feeds. Choose the model that works for you and your clients.
- 02 Designed specifically for sole traders and small landlords:** Effortlessly manage multiple income sources, custom categories, disallowables, apportionment and property with a single account for each individual.
- 03 World-class data extraction & automations:** Market-leading data extraction speed, accuracy and uptime; we're there when you and your clients need us. Dext level automations to drive efficiency and peace of mind for you and your clients.
- 04 Tax workflow support:** Easily access and work with summary totals and tax reports. Export to Excel or CSV ready for upload into the tax software you already use.

Dext Solo is free to you and your clients until your next subscription renewal (after Oct 31st 2023). The following 6 months are then 50% off the RRP of £5 per client per month

- Dext Solo is available in a minimum bundle of 5 clients, priced at **£5 per client/per month** (with an annual commitment)
- Dext Solo is only available via Dext Partners
