

# Introducing Dext Solo

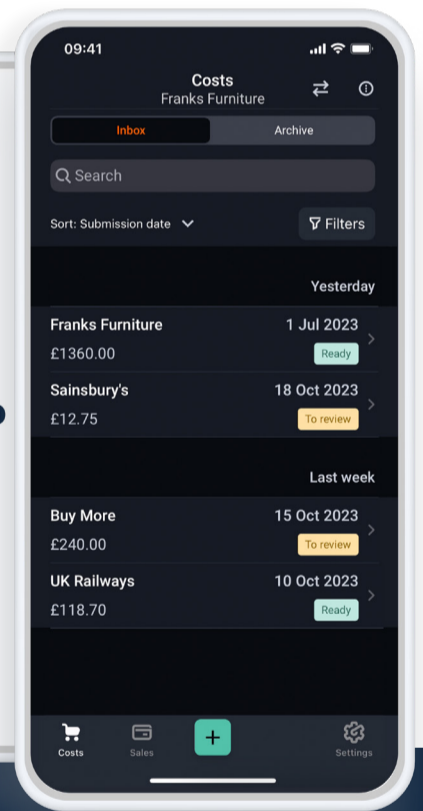

The perfect digital record keeping solution for sole traders and small landlords

Dext Solo gives sole traders and landlords the tools to make running their business easier, so they have time to focus on what matters most.

- Effortlessly capture and track your business expenses and income with the data collection tools that best suit your business.
- Self employed income management and instant access to summary total data so you know where your numbers are.
- Property income correctly apportioned based on your ownership, and easy clarity on per-property data.
- Collaborate effectively with your accountant and comply with HMRC requirements.

- 01 Effortlessly capture your business income and expenses
- 02 World class mobile app automatically turns paper receipts and invoices into digital records, stored safely and securely
- 03 Manage multiple self-employed and property income sources in one place
- 04 Work seamlessly with us to have the right information in the right place at the right time
